

Game of Thrones is back

Are a Game of Thrones fan?

In case you are you may already know that the **6th season is about to start**. And the D-Day is:

This season there are going to appear **new stories** and **new places**. And, **Girona** is among them. Notice it in the trailer above. Keep improving your English skills with this blockbuster TV production.

Nonverbal Communication

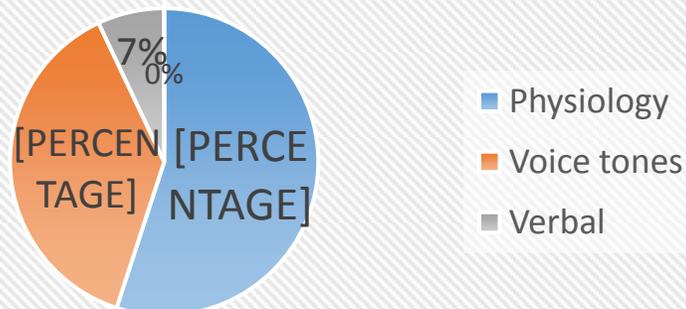

Did you know that 93% of our communication occurs in a nonverbal way?

Most people are not really aware that their **words represent only 7%** of what they are communicating in a normal interaction with other people.

The rest of the information travels through what we call **nonverbal communication**.

Our face, our clothes, our hands, our body position, etc. are **sending powerful messages** to everyone. And so is our voice volume, pitch, tone, etc. Check it out, yourself with the help of [this funny scene from the movie "Aloha"](#).

Sending Information

Thus, having a **good command of nonverbal skills** is crucial for every manager. Being able to send the proper messages and to understand not just what other people say, but also what they mean, is a great advantage for negotiations, speeches, presentations, etc. [Learn and improve your nonverbal skills with our NLP specialists.](#)
